Dear Central Arizona Project Customers and Interested Parties:

Western Area Power Administration's (Western) Desert Southwest Customer Service Region (DSWR) is proposing a rate adjustment process for the Central Arizona Project (CAP) 115-kV and 230-kV transmission lines.

In advance of the formal public process, a meeting to discuss the CAP 115-kV and 230-kV transmission line rate adjustment process will be held on July 12, 2005, 1:00 p.m., at the DSWR office, 615 South 43<sup>rd</sup> Avenue, Phoenix, Arizona. Western's staff and Bureau of Reclamation's (BOR) staff will present the proposed rates for firm and nonfirm transmission service. Western and BOR staff also will answer any questions related to data used in calculating the rates.

If you have any questions or require additional information, please call Jack Murray at (602) 605-2442.

Sincerely,

A handwritten signature in black ink, which appears to read "Jean Gray", is positioned above the printed name.
